## **Engineer's Day Report**

Every year 15<sup>th</sup> September is celebrated as the Engineer's day in India to give a tribute to the greatest Indian Engineer, Sir Mokshagundam Visvesvaraya who also received India's highest honor, the Bharat Ratna in 1955. He holds some remarkable engineering constructions in his name. He was the chief engineer of the Mysore state, Vrindavan Garden, Krishna Raja Sagara dam etc. He was also the chief designer of the food protection system for the city of Hyderabad.

In his honor, the Engineer's day was celebrated in KHYATI SCHOOL OF ENGINEERING this year with a great enthusiasm. The main events that attracted the dignitaries and audience the most were Model Exhibition, Poster presentation, Poster Drawing Exhibition and Structo and Junk Yard Competition.

Different departments of KSE participated in the Model exhibition. Some of the major attractions of the Model exhibition & Poster Exhibition were Waste management, Robotics Car, Hydraulic City, Use Of Tesla Coil for Energy Generation, Hydraulic See-Saw, IL Computer Application and games. Radheshyam Sir took keen interest in understanding the different concepts. Total 35 Groups participated for Model Competition and 7 groups for Poster Presentation and Drawing, also 4 groups participated for the Structo and Junk Yard competition.

Apart from the department level teams, audience also participated and goodies were given to winners. All the programs were well organized and properly planned.
