## **Freshers Party Report**

Fresher's Party of KHYATI SCHOOL OF ENGINEERING was held on 14<sup>th</sup> September, 2019. KSE organized this fresher's party for the new faces. The main aim of this party was to give a warm welcome to the new comers. Such parties not only build their confidence but also add creativity to their levels. It was an event of pure joy and happiness for the students.

Fresher's Day is a platform where the students can showcase their talents without any hesitation. The celebration was accompanied with so many colorful events and programs like ramp walk, traditional, fusion, and western dances, other fun activities and splendid decoration, thus making it a soulful event.

Teachers play an imperative role in students' lives. They actively participated and guided the students towards a successful event.

As the event approached the end, students were anxiously waiting for the announcement of Mr. Fresher and Ms. Fresher. Rathod Pratik, Mechanical Engineering student was given the title of Mr. Fresher 2019 and Barot Yashvi Vimalbhai, Computer Engineering student grabbed the title of Ms. Fresher, 2019.
