

Teaching during Covid-19 lockdown:

Conduction of Online Mid-Semester Examinations - Viva & Submission

Faculties of Khyati School of Engineering (KSE) has conducted Online Viva & Submission during midst of Covid-19 pandemic such as Online Viva & Submission via online through Google Meet and Google form Platforms following the guidelines of Gujarat Technological University for the students of SEMESTER-II and SEMESTER-IV.

Online examinations - Viva & Submission of students via online platforms introduced a modern method of learning and understanding the concepts and getting adopted to new platforms seemed to be a challenge yet faculties accomplished with good results.

Sharing few glimpses of the Online Mid-Semester Examination - Viva & Submission below:

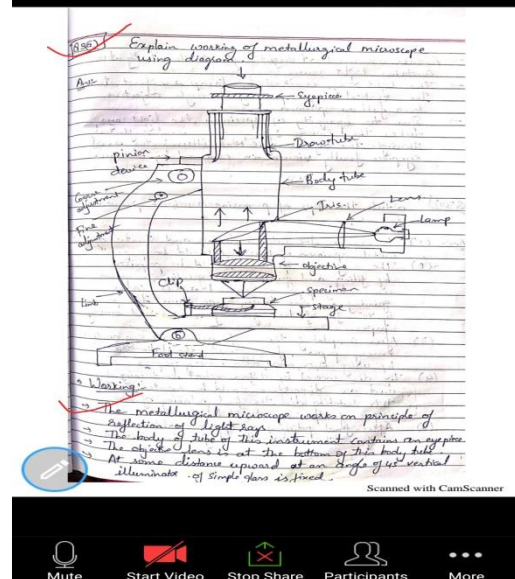

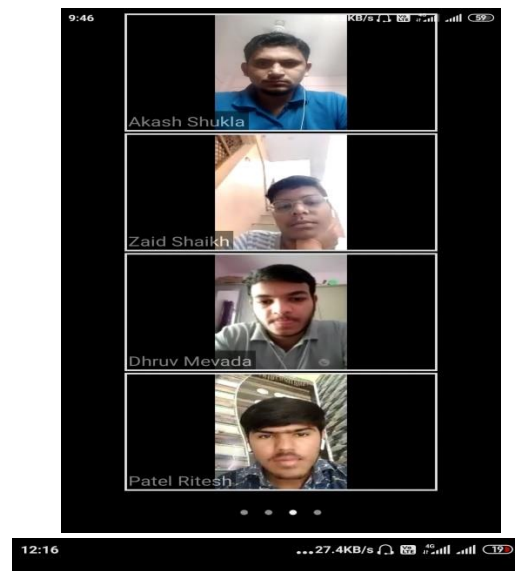

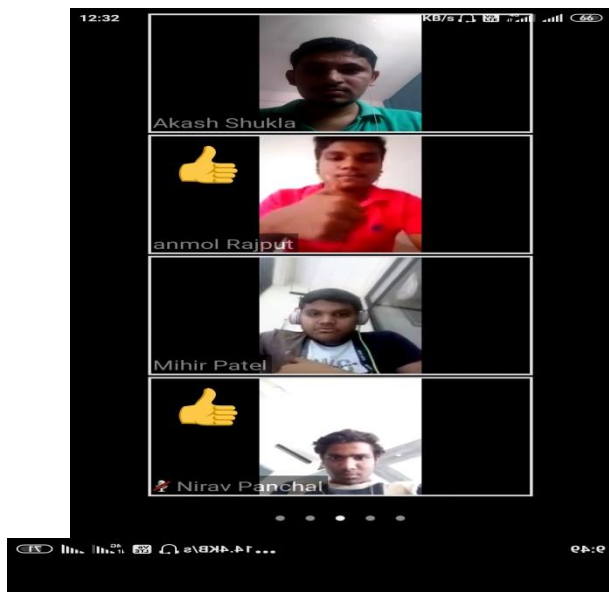

Coping up with online classes and excelling

The coronavirus pandemic has resulted in the closure of schools and colleges across the country. Education has changed dramatically over the last four months, with a considerable rise of e-learning, whereby teaching is executed remotely and on digital platforms.

At KHYATI SCHOOL OF ENGINEERING number of students are glued to computers and smartphone screens as teachers and students enter a new world of virtual lectures, tutorials, and assessments. Though e-learning poses a challenge to both students and teachers over technology and access, it is keeping everyone engage with lectures, worksheets and assignments.

At KHYATI SCHOOL OF ENGINEERING the teachers are in constant pursuit to adapt to the change and make learning fun, effective and engaging through virtual classes. Have a look at how students are coping with the online classes and syllabus.

Activities done by Faculties of Khyati School of Engineering during lockdown
