

Summary Report on “Thalassemia Test and Blood Donation Camp organized for the students of Khyati School of Engineering”

On 11th February 2019

Khyati School of Engineering, Shahibaugh had organized a thalassemia Test and Blood donation camp for the first year students with the aim of awareness among students about Thalassemia. For the Thalassemia camp we got support from Khyati Institute Of Physiotherapy and Prathama Blood Centre, Vasna, Ahmedabad.

In this camp, around 108 students got Thalassemia test and around 5 faculties participated in blood donation camp. Dr.Shital T.Shah, Principal of Khyati School of Engineering was also the part of this camp.

The camp was coordinated by Mohit M.Patel, Lecturer, Computer Department, Khyati School of Engineering with the support of Staff and 2nd semester students.
