JOY OF GIVING

“GIVING IS THE MASTER KEY TO SUCCESS, IN ALL APPLICATIONS OF HUMAN LIFE.” – BRYANT MCGILL

KHYATI SCHOOL OF ENGINEERING observed the ‘Joy of Giving’ week from 1st January to 8th January, 2019. The whole concept behind this week was to inculcate the social cause of donation in the minds of students. All the students along with the faculties of Khyati School of Engineering donated woolen clothes, blankets and shawls to the needy people. Particular cardboard boxes were made for the collection.

The collected items were then distributed to the needy people in Camp Hanuman Temple Shahibaug, slum areas near Naroda and Bapunagar. It was a great experience observing Joy of Giving in Khyati School of Engineering

Anne Frank has rightly quoted **“No one has ever become poor from giving”**. The “Joy of Giving Week” conveyed the same message.
